PATENT PENDING
FUNBALLZ® APS

USE AT YOUR OWN RISK!

- Not for use by children under five (5) years of age.
- Do not leave child unattended while in use.
- This product should never be used by children except under adult supervision.
- This product may only be used by one person at a time.
- The maximum weight of the person using the ball is 85 kg.
- Designed for land surface only.
- Do not use in open water or swimming pools.
- Do not inflate or deflate product while inside of it.
- Make sure the product is properly inflated with the air valve closed tightly.
- Monitor inflation during use as temperatures can cause air in the ball to exspand or contract. Do not leave product in the sun when not in use.
- Always wear the seatbelts inside the product while playing!
- Do never bump and jump into another player from behind!
- If product appears to be losing air, discontinue use immediately.
- Examine the product before and after each use.
- Do not use this product if it is damaged or leaking air.
- The ball should only be used on grass, artificial turf and in a Funballz Arena.
- Do not use this product under the influence of drugs or alcohol.
- Pregnant women should not use this product.
- People who have back / neck problems, or who have had major operation within the last 12 months, shall not use the product.
- People who have heart problems, epilepsy or suffer from high blood pressure should not use the product.
- People who are under medical treatment in which physical activity may have negative impact on healing are not recommended to use the product.
- Do not roll this product of any ramp or ledge into water or hard surface.
- Avoid sharp objects.
- Take necessary breaks to prevent exhaustion while using this product.
- Store this product deflated and indoor in a cool, dry place.

The manufacturer, Funballz ApS, does not have control over the use of this product and assumes no liability therein. Under no circumstances is Funballz ApS or the seller, liable for any loss, damage, injury or expenses of any kind arising out of the use of this product. It is the responsibility of the user to determine the proper suitability and safety of the product during normal use. This product is subject to age, wear and deterioration from use and weather conditions. We strongly recommend that you inspect the product on a regular basis.

RELEASE OF LIABILITY

By assembling and inflating this product, you agree that you have read and understand the entire Funballz´s product manual, including all instructions and warnings contained in that material prior to using this product. You additionally agree that you will ensure any additional or subsequent users of this product will read and understand the entire user's manual. Misuse or improper use of this product could result in risks; dangers and hazards which may result in serious injury or death. The risks and dangers that may be encountered through the improper use of this product can be avoided by reading and following the warning guidelines listed within the user's manual and by proper use of this product. Your assembly and use of this product shall be evidence of your agreement, to the fullest extent permitted by law, to properly follow the instructions and abide by the warnings set forth within the product manual.

Your assembly and use of this product shall also constitute a release, to the extent permitted by law, by you and by any third party permitted by you to use, in any manner, this product, to Funballz from any and all liability for any loss, damage, injury and/or expense that you or any user of this product may suffer as a result of the use of this product. This release shall extend to any loss, damage, injury or expense due to any cause whatsoever, including negligence or breach of contract on the part of Funballz and/or any party participating in the design and /or manufacture of this product. The terms of this release shall be effective and binding upon you, your heirs, next of kin, executors, administrators, assigns and representatives.

Your assembly and use of this product shall constitute your agreement to assume and accept any or all known or unknown risks of injury to you and /or to third parties through the use of this product. Funballz and related parties have not made and hereby expressly deny any oral or written representation and /or warranty, including warranty for a particular purpose, other than what is set forth herein and in the Funballz´s user´s manual.

THE BUMPERZ INCLUDES

- Bumperz PVC carry bag
- Replaceable Velcro belts
- 3 speed safety valves

PRODUCT USE INSTRUCTIONS

- Take the Bumperz out of the box.
- Inflate the Bumperz until it is ferm to the touch (see instruction video) by using one (1) of the three (3) valves. The air will automatically distribute itself around the Bumperz when inflating through only one valve. Be aware not to over inflate as you may damage/split the Bumperz. If you have over inflated it, you should allow a few seconds of air to escape and then put on the valve.
- Make sure the valves are tightly closed.
- Remove any sharp object from your pockets and belts before using the Bumperz. In general keep the Bumperz away from any sharp objects or objects that may damage it in any other way.
- Adjust the Velcro belts inside the Bumperz according to individual body size and so they fit your shoulders. Make sure that they keep the body in a safe and comfortable position all the time.
- Put on the Bumperz and make sure that there are at least 10 centimeters of space between top of head and upper edge of Bumperz.
- Always keep your hands in the handles in front of you to make sure navigating the Bumperz correctly.
- Explain the safety warnings and instructions to riders. Make sure riders know how to get up and out of the Bumperz.
- If used on hard surfaces, always wear knee pads to protect your knees from damage.
- In case of emergency, it is possible to release the velcro belts and quickly get out of the Bumperz.

INFLATION MAINTENANCE

It is not enough to simply fill up and go!
It is important to monitor the amount of air in this product, as heat will cause the bladder to expand, possibly causing damage to the seams. If you leave a full product standing in the sun for an extended period of time, it may be necessary to let some air escape to relieve pressure. At the same time, if it is stored out of the sun in a cool place, you may need to add air. Check and adjust inflation levels each time you use your product. You will have more fun and your product will last for a longer period.

MAINTENANCE AND CARE

- Very little care is required for the Bumperz. You may clean your product using soap, water or "child-safe" anti-bacterial wipes between each ride (just the part above the handles where the face is pointing).
- The product, when clean and dry, can be deflated and stored in a cool, dry area out of direct sunlight.
- To deflate, simply release the valves from the product. Avoid storing this product in areas of extreme temperatures and please take precautions against animals and rodents.
- Secure the product against unauthorized and unsupervised use.
- Inspect the product before each use and replace any worn, defective or missing parts.
- Do not use the product if any part has punctures, frays, tears or holes worn in the TPU or seams. If you get a puncture, repair with TearAid which can be bought at funballz.com webshop.
- Do not use any part of the product that has any deterioration whatsoever.
- Discontinue use immediately should the product appear to be losing air. Do not use the product if it is sagging in any way.

WARRANTY POLICY

Funballz warrants, to the original purchaser only, that their high performance products, when used for normal recreational purposes, are free from defects in material and workmanship for a period of ninety (90) days from the date of purchase. This warranty does NOT cover: products for rental, for hire and other uses not considered for normal recreational purposes, nor punctures, cuts, abrasions in normal use. Warranty does not cover broken welds caused by too much or too little air pressure in the ball.
Spare parts such as belts, valves, repair kit, bags can be purchased separately at funballz.com

Prior authorization is required for returned products. No credit will be given for a product that is sent back without prior authorization from Funballz.
